

Office of the President

Dear Ministry of Education, Science and Sustainable Development of Aruba,

This letter of support is written on behalf of Wayne State College (WSC) to establish a working relationship with the Ministry of Education, Science and Sustainable Development of Aruba to develop an educational partnership.

This letter forms the framework for exploring and establishing a future Memorandum of Understanding (MoU) in cooperation between our institutions to identify shared goals and to facilitate and develop genuine and mutually beneficial educational exchanges and research relationships. The letter is non-binding, and does not impose any legal or financial obligations or liabilities on either institution. Through a mutual exchange of ideas, both institutions will discuss opportunities to expand our relationship, and will share the information developed with prospective students.

Wayne State College will honor the following tuition rate program for incoming international freshmen, transfer, and graduate students from Aruba who are enrolled in non-online programs:
